

PRODUCT SPECIFICATION

Gulp Premium Water Removal Pumps

Application:

When you need to remove water from sprinklers, valve boxes or other areas and devices and you don't have power to connect a pump, the UltraMax™ Series Pumps are the ideal tools for the job.

Features:

- Highest quality materials and attention to detail
- Unique replacement plunger seal and O-ring wiper seal assemblies
- Super smooth pumping action
- High volume capacity
- Strong aluminium pump shaft
- Heavy duty clear high strength polycarbonate cylinder body
- Contour grip handle
- Self priming
- Replacement part kits available
