

ORBIT B-HYVE

The Orbit B-Hyve Smart Tap Timer with Wi-Fi hub allows the user to water smarter and make watering decisions based on the needs of the home garden. Orbit B-Hyve Tap Timer combines easy programming and remote programming using the home Wi-Fi. Users can remotely access and program their tap timer from their IOS (Apple) or Android mobile application at no charge. Orbit B-Hyve tap timer can be set to adjust watering based on local weather using your postcode making sure you minimise water waste due to rain and delivering the correct water volumes to garden.

FEATURES AND BENEFITS

- 3 programs
- 4 start times per program
- 1 - 240 minute run time
- Selective days to water or Odd/Even and interval selection upto 32 days
- Seasonal adjustment 10% - 200% per program
