

DAWN KWIKCUT

The KwikCut product line is led by the highly anticipated R125 double action ratchet cutter are quite simply the finest cutting products on the market anywhere. This comprehensive line features cutting edge innovations in design, ergonomics and functionality. These products are rugged, lightweight and highly visible. The KwikCut product line is designed by contractors for contractors.

DAWN RATCHET CUTTER

KwikCut Ratchet cutter is ideal for heavy walled plastic pipe and conduit. The double action ratchet gives strong extra power without skipping. Cutting blades are precision milled to give a clean cut with very little effort. Smooth one-hand operation with dual push button safety release and locking mechanism.

DAWN HAND SAW

For cutting large PVC or ABS pipe, no other saw cuts faster or straighter. Dual direction precision steel blade allows easier starts and features our quick-change design that lets you change blades without tools. Available in 225mm, 325mm and 450mm lengths.

DAWN KWIKCUT ADVANCE

KwikCut Advance with spring action, multi purpose cutter designed to make quick work of thin wall PVC, Poly pipe, hose and tubing. The blade is forged from long lasting high quality steel. This creates a blade that is sharper and holds its edge longer for more clean, precise cuts.

DAWN KWIKCUT ORIGINAL

KwikCut Original still sets the standard in cutting excellence. Kwikcut remains the #1 cutter on the market. Many have tried to copy the quality, none have ever succeeded. Kwikcut Original offers all of the standard features without the spring action.

Cutting handle colours may change, depending on supply.
